

KCD4-201NC

Technical parameters:

ROCKER SWITCHES

Switch specification :

Rated working voltage & current: 3A-16A 250V AC

Contact Resistance: $\leq 30\text{M}\Omega$

Withstand Voltage: 1500Vac

Insulation Resistance: $\geq 100\text{M}\Omega$

Switching Life: 10000 cycles

Environmental Temperature: -25-85°C。

Environmental Humidity : 45%-95%
