

## **XH-M253 TDA8954TH Core BTL Mode HIFI Class 420W High Power Mono Digital Amplifier Board**

### **Specification**

Model: XH-M253

Core chip: TDA8954TH

Input voltage: recommended double 24V ring cattle (range of double 12-28V)

Output power: 420W

Number of channels: mono

Output impedance: 4Ω recommended (2-8Ω support)

Net weight: 121g

Dimensions: 82 x 72 x 37mm
